Local Lenses Capture Peninsula Area

CARMEL MAGAZINE PHOTOGRAPHY CONTEST WINNERS

In September, we launched our first-ever *Carmel Magazine* photo contest on Facebook. We received hundreds of entries and thousands of votes for images from our local area. Although we received great entries in all categories, our next contest will use an independent panel of judges as to avoid any type of popularity voting.

The winners of the contest were Staci Giovino in the "Animals" category, Juliet Sanders for "Events," Dawn May for "People," Crystal Clark for "Recreation" and Linda Perham for "Scenery."

The winning photographers received $400 gift cards courtesy of the Rio Grill, Tarpy's Roadhouse and Montrio Bistro restaurants, sponsored by Tony Tollner from Downtown Dining.

You can enjoy their images on the following pages, plus staff pick photos we chose.

Keep an eye on our Facebook page for future contests coming soon.
